

Human Life Protection Amendment

Defend Life by Launching a Hub Site

Support the Human Life Protection Amendment by hosting a space where petitions can be picked up.

PURPOSE:

Place where your neighbors can come by to pick up Petition Partner Packets for them to distribute.

MORE DETAILS:

- Everything you need will be provided.
- No financial cost to you.
- Spanish Petition Partner Packets are available upon request.
- You will help defend life!

WHAT IT ENTAILS:

An air-conditioned space where boxes containing Petition Partner Packets can be held until distributed.

The Hub Site will be listed on our www.HeartbeatHero.org website with address, hours of availability, contact person, and phone number and/or email address.

The Hub Site should be easily accessible to local volunteers.
