

Guide To Asking For Signatures

Hi, I'm <Name>. What's your name?

Nice to meet you <TheirName>.

Would you like to sign a petition to protect innocent lives in Florida? It'll only take 30 seconds.

If no: Okay thanks, have a great day!

If yes, have them sign it. Then after: Thanks so much! Would you also like to download the app so you can stay up to date with the amendment?

They can download it by searching "Human Life Amendment" in the app store

If they ask for more info about it:

If we get enough signatures, we can place a citizen initiative on the 2020 ballot so that Floridians can weigh in on the issue of protecting innocent human life. We believe that all human beings have value. That fact doesn't change based on their age, health, or level of ability. The Human Life Protection Amendment embeds this truth in our state constitution. This is needed in order to prevent perversions of justice similar to what happened to Terri Schiavo. With this amendment in place, we can all rest assured knowing that human life is being protected in Florida.
