

HOW CAN OUR CHURCH HELP?

REBUILD THE WALL

Inspired by the story of Nehemiah, we want to see the people of God come together to accomplish this great and necessary task...rebuilding a constitutional wall of protection around the preborn, the most vulnerable and victimized people group in Florida.

In Nehemiah's day, the people came together to rebuild a wall of protection around the city of Jerusalem. We're coming together now to place our proposed constitutional amendment on the 2024 statewide ballot recognizing the God-given right to life of the preborn.

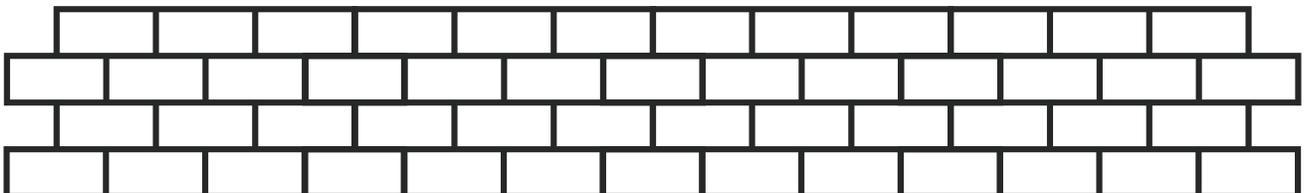

WHAT ARE WE BUILDING WITH?

Reams of paper. These are our "bricks." A standard ream of paper contains 500 sheets, on which our petitions can be printed. In order to secure the 891,589 validated petitions required to qualify for ballot placement, we need you to sponsor a "brick."

HOW DO WE SPONSOR A BRICK?

1. Print 500 black and white copies of the [petition](#) from our HumanLifeFL.com website.
2. Set a target date to have them all signed.
3. Start collecting signatures from registered Florida voters.
4. When finished, mail them to the address listed on the petition.
